

Park In Winter's Grip

Lengthening days give the first suggestion that winter is drawing to a close. Hopefully, these winter-stored tables and benches will soon be in use again by picnickers at the Pembina Park.

Breeders Plan Sale

The annual meeting of the West Alta Livestock Breeders Association was held the evening of February 4th.

A new slate of officers was elected as follows: President, Mr. Norman Johnson, Evansburg; Vice-President, Mr. Walter Medd, Tomahawk; and Secretary-Treasurer, Mrs. Alma Johnson, Evansburg.

It was decided to hold the sixth annual Purebred Bull Sale and Show on Saturday, April 1st. The show will start at 11:00 a.m. with a judge from the Department of Agriculture.

The sale of bulls will start at 1:00 p.m. with females to follow at Sekura Auctions in Drayton Valley.

Deadline for entries is March 1st. Anyone wishing entry forms and rules and regulations may write or phone the Secretary, Mrs. Alma Johnson at Evansburg. Phone 727-2312.

Plans for a Banquet and Dance will be announced soon. Catalogues will also be available at a later date.

Local Essays, Poems Advance

Two essays and two poems in the Drayton Valley Royal Canadian Legion Branch remembrance contest have advanced through branch and zone levels and are now at the District 2 level.

All were written by students at St. Anthony's School including Gloria Wensley, junior first prize essay; Laurent Gascon, junior first prize poem; and Pat McIsaac, Junior second prize poem. District winners will advance to the provincial, and finally dominion contest.

Branch and zone prizes will be awarded at an appropriate occasion in the near future.

F.M.H.S. Ready for Community Use

Frank Maddock High School, designed with both students and the community in mind, is now ready for public use after 6:00 p.m. on weekdays and all day on weekends.

According to Mike Gormley, Recreation Director, the gymnasium is ready for community use, although the kitchen facilities and supplies are somewhat lacking as yet.

"This is a first for Drayton Valley," said Mr. Gormley, "in the idea of cooperative use of a school facility."

A School and Community Joint Use Committee was established early in December of last year to set complete policies for the use of the school. Three community members and four school representatives make up the committee which officially held their first meeting January 19th.

At that meeting, a sub-committee was established to estimate

amounts of required equipment and supplies to make the facility functional. A cost of \$7,000, was estimated by the committee to purchase necessary supplies.

A second sub-committee was also formed to set up rental schedules and propose rental fees. These are still underway.

Mr. Gormley said that three functions are already slated for the month of March. Any persons wishing to rent the school facilities should contact the Recreation office.

If however, rental is necessary during school hours, the school principal should be notified.

Game to Aid Minor Hockey

The Rebels and the Town of Drayton Valley have decided to help promote minor hockey in the community by turning over the entire gate receipts from the Rebels vs Stony Plain Eagles benefit game to the minor hockey program.

All minor hockey players will be admitted free of charge if they are wearing a team sweater or the minor hockey week booster tag.

Eagle-Rebel games historically have been exciting! Last year in the Provincial Play-offs, the Rebs edged out the Stony team to go on and win the Provincials. Earlier this year the Eagles defeated the Rebels 6-4.

Support this worthwhile project by attending this Thursday!

School Crosswalk Council Topic

At its regular meeting on Thursday, February 10th, Town Council entered a comprehensive discussion of pedestrian traffic between the Elementary School and the Junior High School.

The discussion was touched off by a letter from Mr. Betton, Vice-Principal of the Elementary School pointing out the hazards to students crossing 47th Avenue between the two schools and suggesting the possible closing of the Avenue to vehicles.

Council would not entertain the closure suggestion but agreed that greater control of traffic was necessary. At the present time, it was pointed out, children cross the street at any point in order to reach the skating rink or move between schools.

The Protection Committee's recommendation was for a school crosswalk to control both vehicles and pedestrian traffic.

Another amber traffic light was suggested but discarded, and it was finally decided to install warning signs and establish a definite crosswalk east of the corner.

Council will also ask that school patrols be designated to direct student traffic to the appropriate crossing.

Still on the subject of traffic, it was noted that a number of heavy trucks are still parking in residential areas in violation of the bylaw. Council instructed that owners be notified of the violation

and ordered to conform to the by-law regulations by removing unauthorized vehicles from residential areas.

COUNCIL BRIEFS

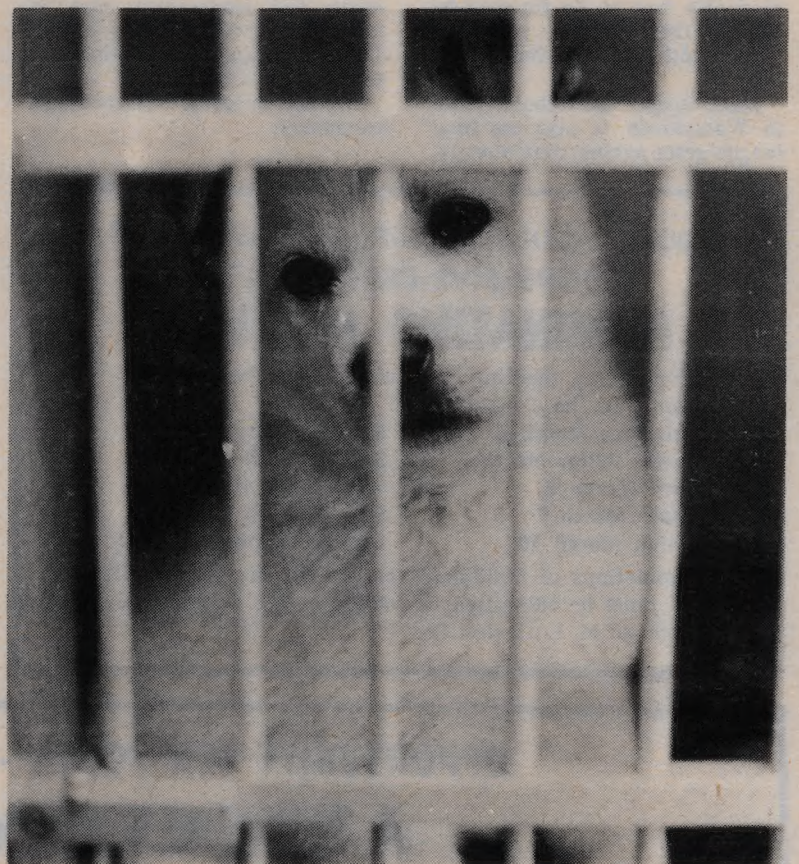

At its regular meeting Thursday February 10th, Town Council directed that in future the Administration Building must be locked after ten p.m. each evening.

Annual meeting of town rate-payers was set for March 20th at 8:00 p.m. in the Council Chambers.

A letter from the Rotary Club requesting support for naming the Junior High School after the late Howard W. Pickup, former mayor was discussed by council. Council agreed that Mr. Pickup's service to the town was worthy of the honor but questioned the practice of naming public buildings after individuals on the basis that a number of others might also be deserving of recognition.

Council authorized the payment of 50 percent of the survey costs of the R. C. Schurman property

Rebels Win Two of Three

By DOUG BARNES

Last Tuesday night the Rebels lost to sixth place Barrhead Sabres 6 - 5.

Barrhead has finally started skating toward the net instead of the penalty box, downing the Rebels Tuesday night and taking the league-leading Rebels into overtime Saturday night.

The Rebels won at the 18-second mark with the winning goal scored by rookie Jerry Wilkes. Jerry has been playing good hockey all winter. I'm sure Jerry now has more points than any other rookie in the league. He looks like a good bet for the Rookie-of-the-year award.

On Thursday the Rebels traveled to Westlock and downed the Eagles 6 - 4, in what was a rather dull hockey game. The Rebels are now eight points ahead of the second-place team. Wetaskiwin is the only team that could possibly catch them. Rebels and Wetaskiwin each have five games left, which would mean the Rebels would have to lose all of their games and Wetaskiwin win all of theirs.

The Rebels have three games with Fort Saskatchewan, one with Westlock and one with Wetaskiwin. There is only one home game left for the Rebels against Fort Saskatchewan, to be played either February 22, or 29.

Stony Plain will be here Thursday, February 17th for an exhibition game. Stony Plain is currently in first place in the Edmonton Central League.

Club Standings are as follows: Drayton Valley 46; Wetaskiwin 38; Camrose 29; Fort Saskatchewan 28; Barrhead 19; Stettler 16; and Westlock 14.

As can be seen, Drayton Valley could meet either Camrose or Fort Saskatchewan in the semifinals of the league play-offs. In league play-offs first meets third and second meets fourth.

The Provincial play-offs have been set at last -- Drayton Valley meets Wetaskiwin in the first round.

The winner of the series will play the winner of High Prairie and Peace River for the Northern Championship.

In the south there are Canmore, Coleman, Medicine Hat and Okotoks. The first round for all these play-offs has to be finished by March 19th, second round by March 26th, and the final April 2nd.

Next Sunday the Rebels travel to Wetaskiwin to play the final league game against the Colonels.

This should be a good one, as these two teams are one and one against each other this year. It would certainly be an advantage for the Rebels to beat the Colonels on their home ice before their game in the Provincial play-offs. Since the game in on Sunday, it would be a nice way to spend the afternoon -- cheering the Rebels on to a win. See you all in Wetaskiwin next Sunday.

Fifteen Enrolled in Communications Course

A course in effective supervision and communications offered to business owners, managers and supervisors started February 3rd with about 15 merchants present.

Offered by the Division of Vocational Education, Alberta Department of Advanced Education in cooperation with the Drayton Valley Retail Merchants Association, the program includes 10 sessions.

According to Alex Zubot of the Retail Merchants Association, a manual is given to each member who studies it for the next session. The instructor, Trevor Holfield, then lectures and the group breaks up to discuss the subject and solve the problems.

Each session lasts about three hours, with two sessions held February 10th.

Detailed examination is made of the function of communicating. Discussions include what communication is, the breaking down of barriers to the exchange of

for subdividing into lots. Since incorporation of the town a portion of the property has been used as a lane and the survey is now required to establish boundaries. Cost to the town will be \$139.00.

Council gave three readings to bylaws authorizing financing of sewer and water extensions to the Senior Citizen's Home.

Council also approved the installation of monolithic sidewalks in Blocks, 55, 101, 102, and 103 in the amount of \$26,000. The location is the newly built-up area in the south-east corner of town.

The contract for the intake water project was awarded to the low bidder, Keller Construction, in the amount of \$21,256. High bid was \$74,000.

Council also authorized charging a rate of \$5.00 per load for persons wishing to use the lagoon for disposing of septic tank effluent and waste water.

A delegation from the Drayton Valley Ski Club attended the meeting with a request for a grant of \$6,000. to match that provided by the County of Parkland. The matter was discussed at length with Council eventually offering a grant of \$2,000. and the offer of a loan if a good ski tow becomes available to the club at a reasonable price.

Councillor Betty Waugh, Chairman of the Social Development Committee will attend a meeting with the Parkland County Council for the purpose of exploring the possibility of a preventive social services program to serve the town and the western part of the county.

Recreation Director Mike Gormley reported on recreation activities and noted that the Figure Skating Club is considering the possibility of again operating a summer skating school. He also advised that the Recreation Board has asked that consideration be given to financial support of the town band.

Council ratified the appointment of Mrs. J. Poloway to the Recreation Board.

Club Members Lose 88 Pounds

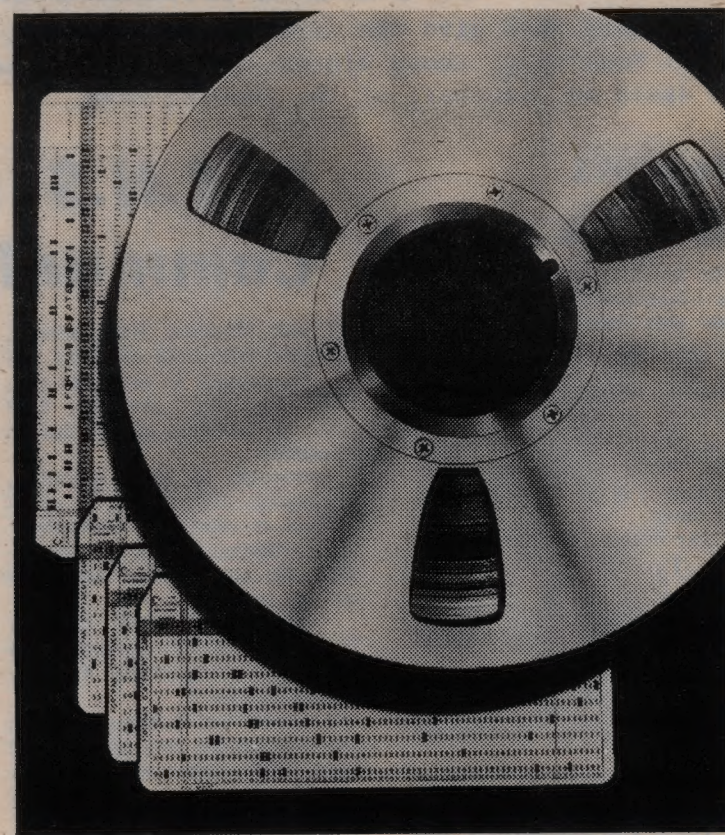

Four weight-watchers in the Drayton Valley Rotary Club lost a combined total of 88 pounds of lard in a five-week contest that ended at last Wednesday's ladies' night.

Official results were declared by statistician Dr. Tony Jones and Mrs. Eleanor Pickup named winner of the guessing contest with her estimate of 86 pounds.

Brian Thorstad topped the contestants with a loss of 28 pounds, followed by Bob Mayhew, 23, Jack Bright, 21 and Ron Smith 16.

The two losers lost some weight from their pocket-books by paying the bet with a night on the town.

farm tool

The single biggest problem facing Alberta's farmers today is not drought, insect plagues, or livestock disease. It's business management . . . or lack of it.

The Farm Business Analysis Program of the Department of Agriculture puts a valuable management tool into the hands of Alberta's food producers. Any farmer who maintains his records with the Prairie Provinces Farm Accounts Book may, with the assistance of his Regional Economist, have those records digested and analyzed by the Provincial Government computer. With this information the farmer can more easily decide exactly how the farm is performing, and what changes might be made to make it more profitable.

SPECIAL CLASSES HELD FOR SPECIAL CHILDREN

They're called opportunity classes -- classes for those students who need the opportunity to advance themselves at their own pace and their standards.

They are children who cannot keep up with other classmates -- they are mentally slower, physically disabled, have speech defects, and/or have lower I.Q.'s than other children their age.

With the help of school boards, the government, special teacher training schools, and the parents, opportunity classes have become more readily available to such students and with greater understanding of all and concern of all those involved, more such classes have sprung up in schools all over.

One school is Evansview Elementary in Evansburg. With the aid of a federal grant, an opportunity class was started this year to help the students who couldn't seem to keep up with their classmates.

Their teacher is Miss Wenona Wetmore, who has had a year of experience with remedial classes in New Brunswick. There are four other similar classes within the Yellowhead School Division.

Her students range in age from eight to 15, with four of them having taken the Seba Beach opportunity class last year.

Students are first detected in

By LORRAINE BERKLEY

their earlier grades as being slower in reading, mathematics or muscle coordination by their home room teachers and are recommended to a guidance clinic with the parents' consent. A report is then issued from the counsellor and steps are then taken to put the students in proper learning classes.

Although it may take the students a few years in the opportunity classes, it is hoped that they will be able to eventually enter normal classroom life. If it is decided by parents and teachers, students can be sent to special schools in Edmonton or Calgary for vocational training.

Because opportunity students are more practically-minded than academically-minded, they are given more chances to use their hands while they are still in school.

As Miss Wetmore explained, the teachers do have a day schedule, but it is not necessarily followed.

"Usually we have reading and arithmetic in the morning," she said "But, if they appear to be getting bored or tired on one subject, we give them something else for a while."

"We concentrate on reading and arithmetic as academic sub-

jects," she added, "since these will become part of every day life in later years."

There are four or five academic levels within the Evansview group, with students helping each other as much as possible.

"Our main goal," said Miss Wetmore, "is to help the children grow up to lead normal lives, support themselves, and get along with the rest of the community."

In this respect the children learn to help each other, as well as mingle with other students in such classes as Physical Education and Music.

Miss Wetmore explained that when the class was first started, there seemed to be a barrier between the opportunity students and the other children. But, it appears, she said, that they are no longer rebuffed or ridiculed and are generally accepted.

"We try to teach them to cope with others and get along in society," she said, "and, also, to understand their own emotions and attitudes."

Afternoon classes are usually spent on crafts and practical experiences such as typing and sewing.

"This type of thing they will probably be needing every day when they're older," said Miss Wetmore.

If the students enter the spec-

ial training schools in Edmonton, they are trained in a vocation which they are best suited to and can most capably handle. Results of such training show

that students who are academically slower can integrate easily into the working world and make successes of themselves.

Opportunity classes place emphasis on students helping each other. Donna, 10, helps eight-year-old George with his reading.

Miss Wetmore, opportunity class teacher, gives Sharon a hand with her workbook.

Jimmie, 15, loves to put together models. In class he is given the chance to work on his newest submarine model.

Thirteen-year-old Sandra has a bit of fun messing in the glue she is using for a tile hot plate.

Mack, 12, and Lloyd, 13, are getting to be old hands at the treadle sewing machine as they finish a few seams on their sewing project.

Arnold gets a chance to monkey around during recess and finds that he can outwit those monkeys anyday!

Report From Parliament Hill

By Allen Sulatycky, M.P.

The recent federal-provincial finance minister's conference held at Jasper ended in the usual way - with the provinces asking Ottawa for more money.

The finance ministers meet four times a year and the provincial demand for more money is an equally frequent occurrence.

For the most part, the federal government resists acceding to these provincial demands, although it is well aware that the provinces have a difficult time raising sufficient revenue. The reason for the federal stance is very simple, and it applies in many situations of human behaviour.

It is easier to spend money which one does not have to raise, than to spend funds which must be raised by oneself. The federal government believes that the provinces should take more responsibility for raising more of their own revenues. If this were the case, the provinces would keep the taxpayer more in mind when they spend his money. After all, it matters little by whom taxes are collected, they come from the same taxpayers.

Presently, Ottawa shoulders the responsibility and the wrath of the taxpayers for raising taxes, while the provinces spend a large portion of the funds collected, enjoying the benefit of not being directly responsible for them.

The present federal government believes that there would be better use made of tax funds if, to a greater extent, those bodies which spend the money would also be responsible for raising it.

One of the worst examples of overspending because of the current federal-provincial financial arrangements, is in the field of welfare payments.

Ottawa does not administer welfare programs in Canada; each province has its own welfare schemes, and determines who is and who is not eligible for such assistance. Ottawa however, has agreed to pay one half the cost of all programs. The result is that some provinces,

like Ontario, British Columbia and Alberta make welfare readily obtainable because by doing so additional federal monies are brought into the province. In the end however, it is the same taxpayer who bears the cost.

Lindale News

Congratulations to Gloria Van Ember on her marriage on February 12th.

A family night was held in the hall at Lindale on Friday, February 11th. Little by little, finishing touches are being added to the addition to the building, and very recently linoleum has been laid on the floor of the new part.

Students from Lindale school motored to Warburg on Thursday afternoon, Feb. 3, where the girls and boys basketball teams lost their games.

Mrs. Steve Tweedle left Lindale on Thursday, Feb. 3 to return to her home in Victoria, B.C. by air. Virginia plans to come back again during the summer.

The annual Uniform meeting of Lindale Local 94-49 was held on Thursday, February 10th.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (of the Calgary Herald)

As part of their program to preserve the family farm, the Conservative government plans to guarantee loans for operating capital to cash-starved farmers.

Agriculture Minister Dr. Hugh Horner won't divulge any details of the plan, but confirms that legislation will be presented to the spring House sitting so that the program can have an effect this year.

"We have always had a fair amount of money available for capital costs," Dr. Horner says. "But we have never had schemes whereby a guy could get operating capital."

It is likely the Alberta scheme will be patterned after Manitoba's program of long-term capital loans with guarantees of borrowing for short-term purposes.

The plan is cheap, with no actual outlay of funds required to provide the guarantees. It would operate in much the same way as the existing guarantees to co-ops.

Dr. Horner estimates Alberta farmers will need \$300 million in credit this year, with all indicators pointing to continued cash shortages as farmers prepare for spring planting.

"Credit isn't the whole answer," he adds, "but you have to have the money to develop. There

is no point in lending more money if farmers can't sell any more than they now produce."

"We don't want an expansion of production," he explains "what we need is debt consolidation for farmers and help with operating expenses."

The agriculture minister says marketing initiatives are a crucial element in his new farm policy. "The thing that intrigues me is that the markets are there. It is getting into them that we have to do."

Dr. Horner talks about creation of an import-export commission as a long-range vehicle for improving the marketing of Alberta's agricultural produce, but no action on this idea is possible this year.

The minister also says he's concerned about the method Ottawa will use to pay farmers under the new two-price wheat system. The increased payments must be fair to all farmers, he says, but should not encourage more production.

"We have spent a lot of money in the last few years getting guys out of wheat," he says. "Maybe Mr. Lang (Otto Lang, federal minister in charge of the Canadian Wheat Board) should give us the \$21 million that's coming to Alberta under the plan and we'll hand it out."

Put It In Writing

IT WOULD BE RIDICULOUS to expect everyone in these days to remember everything he had to do, to recall what was said last week at a conference, to keep in mind his engagements for meetings and parties, and to know by heart the answers to all the questions that come up in business, the community and the home.

"Write it down" is not a drab, irrelevant lesson, but one essential to everyone. It is necessary to both efficient living and peace of mind.

There is never an hour in a business office when a worker is not listening to or giving instructions, interviewing or being interviewed, thinking through a problem to solution or digging up information. What a comfort it is to have notes that make recollection sure and finding information easy. Solving a problem is simple when you have all the factors in front of you.

People like to have things in written form. Your doctor and your dentist give you chits saying: "Your appointment is for . . . day, date, time." The newspaper confirms what you heard on radio or television or at a meeting. The written report gives you time to think about the points, consider the worth of what was said, and appraise the speech in terms of your own thinking.

Clear thinking

Notes help toward precision of thought. Writing things down concentrates your mind and helps toward solving problems. You bring related notes together and brush aside all others. Here, in this collection of notes, is what you need for the job in hand, the facts and your past thinking about the facts. Now you put them together in a way relevant to the present situation.

Think of the assurance and poise with which you weigh two competing ideas on two notes compared with the confusion and worry associated with having planets, stars and atoms of ideas circling confusingly in your head. You avoid the panic of making hasty decisions with nebulous data.

It goes without saying that when you put instructions to others on paper they are less likely to become garbled in transmission or interpretation. You prevent misunderstanding.

Collecting ideas

You may have quick thought, but thinking needs facts with which to work, to build ideas, and to meet crises. These facts must be in such a form as to be recallable when wanted, and note-making is the only way to make sure that you have the information readily at hand.

Much that is useful is to be found in books, and the mark of a true student is note-making.

Make a note of anything you come upon in a book or other publication that might be useful in some future situation.

Self-improvement

One of the greatest benefits of note-making is the stimulation it gives toward self-improvement.

Did you ever think of the time wasted while waiting — waiting for a bus or a train, waiting for someone who is late in keeping an appointment, waiting for dinner, waiting for a television programme, waiting for your partner to get ready for an evening out? Every such period is an opportunity to think and to record your thoughts on those pocket cards you carry.

WHAT IS THE FUTURE OF BEEF MARKETS?

Will the present trend of increasing sales volume continue? The answer depends on the future, which is never easy to predict accurately but here are some of the factors on which forecasts are made. By using these factors as guidelines, producers will be able to plan their production programs

(1) Expected profit from a grain enterprise as compared to livestock.

(2) Consumer income is very important. When the average is low, people will eat cheaper cuts and less beef.

(3) Relative supplies of feed grains and their market prices.

(4) Alternate or competitive foods such as greater use of poultry. This trend has been very

noticeable.

(5) When cattle populations in Eastern Canada increase faster than human population, a surplus develops which cuts into the marketings of Alberta cattle.

(6) Price difference between Canadian markets and Omaha influences the amount exported.

(7) Changes in Government policies such as freight rates in Canada and U. S. import policies.

Obviously a producer must be aware of techniques for predicting prices; and planning to take advantage of cycles.

In one hour a modern combine can harvest enough wheat to bake 20,000 loaves of bread.

Summary Regular Meeting Parkland County Council

Minutes of the regular meeting of the Council of the County of Parkland No. 31, held in the County office at Stony Plain, Alberta on Thursday, February 3, 1972.

The meeting was called to order at 10:00 a.m.

Present were Reeve Leslie N. Miller, Deputy-Reeve Ivan Vowk, Councillors Jacob Fuhr, Maurice McCullagh and Robert Bailey.

The minutes of the last regular meeting held on January 20, 1972 copies of which were forwarded to each Councillor, were adopted on motion.

It was agreed on motion that the new rate of pay for Council-

lors, as set at the January 20, meeting, be made effective as of January 1st, 1972.

OLD BUSINESS

Request for construction of an access road to part L.S.D. 4-17-51-4 by Mr. W. Merlo of Edmonton.

It was agreed on motion that the request for construction of an access road to part L.S.D. 4-17-51-26-4 by Mr. W. Merlow of Edmonton be held in abeyance until the March 23 Council meeting.

It was agreed on motion that the request for construction of an access road to the NE 34-50-4-5 by Mr. Ronald MacDougall of R.R.1, Duffield be tabled to the March 23rd Council meeting.

It was agreed on motion that the request for cancellation of road diversion in the NE 19-51-25-4 by Mr. Reg Mott of R. R. 5 Edmonton be refused at this time.

No progress reported on proposed power line relocation on 118th Avenue by Calgary Power Ltd. as information requested by Council has not been received at this time.

Gainford News

The Scouts and their leaders, Colin Thorburn and Wayne Lenz attended the tenth anniversary of the Scouts at Stettler over the weekend.

There were about 150 boys including nine from Gainford. During the celebrations, Darrell Dzus managed to be in the winning patrol, while Kenny Dzus won a hunting knife as the award for the best Scout marksmanship.

Mr. and Mrs. Fred Schrader spent four days in Edmonton starting last Friday, and like the rest of us, found their water system frozen up when they returned home.

Visitors at the home of Gordon McLeod last week were Mr. and Mrs. Specht of Edmonton.

The annual meeting of the Gainford Community Society took place at the home of Colin and Elsie Thorburn on Monday, Jan-

uary 31st with seven members present. The elected officers were President, Colin Thorburn; Vice-President, Janet Hauser; Secretary, Marie Butts; and Treasurer, Olga Walaschuk.

Sorry to report that Art Williams is again in hospital and hope he will be home again soon.

Mr. and Mrs. Koehn of Bonnyville spent the night with the J. Hauser family after attending a funeral in Entwistle.

Plans are being made to hold a Sportsmen's Supper in Gainford. Ticket sales will start soon.

Those celebrating birthdays this month are Timmie Greaney, February 6, ten years old; Glen Meronovich, February 8, seven years; Barry Butts, February 26, twelve years; Hazel Meronovich, February 27, six years old. Congratulations to all of them.

The Annual Easter Tea will be

held on April 1st.

Mr. George Lawley, who has been the U. G. G. elevator agent here for sixteen years, has retired. He and Mrs. Lawley are moving to their home in Entwistle.

It is nice to see so many trains running again after the big snow slides in the Fraser Canyon.

Jay and Damon Hebert spent the weekend with Keven and Steven MacKell at the Chateau Lacombe in Edmonton. They went to a movie and also got some tobogganing in.

Mr. and Mrs. Grant McDougall of Mayerthorpe, and Loraine's brother Doug and sister Bonnie spent Sunday with the Greaneys to help celebrate Timmie's birthday.

The senior family, Mr. and Mrs. Ami Hebert, who have been away for a while, are back in their home on the shore of Isle Lake.

World Day Of Prayer

On Friday, March 3rd, Christians in 165 countries will be linked together in World Day of Prayer service.

Under the auspices of the International Committee for the World Day of Prayer women from a number of European countries have prepared a service on the theme: "ALL JOY BE YOURS".

In Canada the World Day of Prayer is sponsored by the Women's Inter-Church Council of Canada.

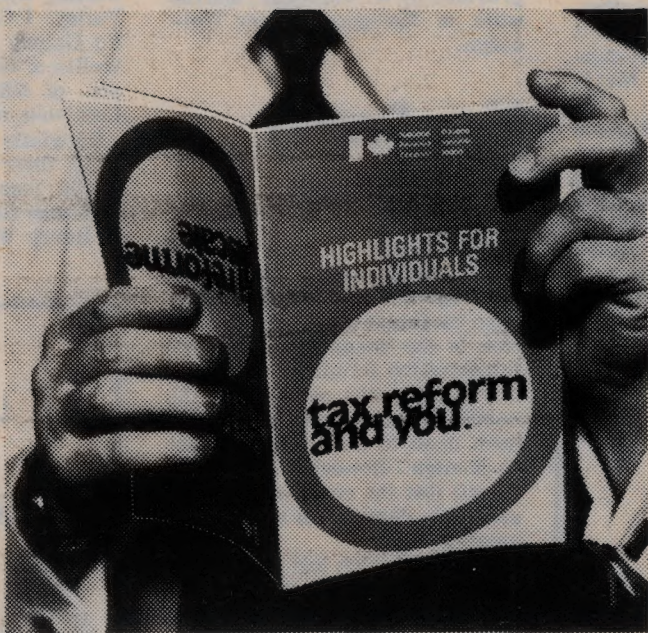

Church women organize and promote the observance in their own community, translating the service into other languages as required and arranging for services in a variety of places: Churches, campuses, homes for the aged, hospitals, schools and private homes.

The Women's Inter-Church Council of Canada allocates the offering to alleviate human need at home and abroad. Work with retarded children in the Barbados; a newly established school for the deaf in Mexico; re-equipping a leprosy hospital in India; providing educational materials for Junior High Schools in the central Celebes, enabling the John Milton Society of Canada to print Christian literature in large type, typify the kind of projects receiving support.

NEW BOOKLET ON PEAT SOIL FARMING

Plan Survey Rest Room

A delegation from the Women's Institute attended last Thursday's meeting of Town Council to discuss the future of the comfort station in the basement of the Administration Building.

The delegates agreed that the comfort station amenity has not been used to as great an extent as it might. However, they pointed out that the room was in considerable demand for meetings of small groups.

Council, which had considered taking over the room for additional storage space, had not been aware of its many uses and decided to take no further action until a study could be made of how the room is being used.

Board of directors, which meets once of month to discuss problems and set policies, includes Chairman, George Moroz of Drayton Valley; Vice-Chairman, Stan Greenwood of Entwistle; Otto Hansen of Drayton Valley; I Gylander of Entwistle; Ed Galpen of Entwistle; O. McWellis of Magnolia; Frank Dickson of Niton Junction; and P. Lemishka of Wildwood.

Entwistle Livestock Co-Op made their final payment on a \$3,000 loan from A.L.C. when chairman George Moroz presented Henry Winkelaar Manager of

Edmonton A.L.C., with a \$400 check February 4th. Also present was Stan Symons, Assistant Manager of the Edmonton Co-Op.

Since the Entwistle Co-Op began in October of 1967, the volume of livestock hauled through the station has increased to a gross value of over \$532,000, - by number, 715 cattle; 11,820 hogs; and 86 sheep were handled.

Regular board meetings are held the first Monday of each month at 8:30 p.m. Anyone who has any beefs, suggestions, or otherwise are most welcome to attend.

Advisory Committee Meets at Tomahawk

The 10th advisory committee meeting was held in the Tomahawk Recreation Centre on February 7th with twelve of the fourteen members present.

The meeting opened with situation statements (problems) arising in each of the seven divisions and brought forth by the respective members.

There were three main topics discussed, the first being the closing of the Gainford elevator. It was decided that as a committee, it would give its full support to anyone or any group that wants the elevator kept open at least part-time. A recommendation was sent to the County Agriculture Committee to do the same.

The second topic presented was the ceasing of school bus operation in severe weather. It seems the school committee has now set a rule on the matter and it is now left up to the discretion of the drivers.

After a lengthy discussion the advisory committee sent the school committee a recommend-

ation which states all school buses cease operation when the temperature at the Edmonton International Airport reaches -40 below or colder by 6:00 a.m. This information is then to be broadcast over radio station CFRN no later than 6:30 a.m. and thereafter every 15 minutes.

The third topic pertained to the Jack Pine Grazing Reserve. Mr. Bud Klumph, provincial grazing reserve supervisor was present and enlightened the group on general policy and organization. The secretary of the Jack Pine Reserve, C. J. Goertz was also present with information on cattle allotments and entry requirements.

Mr. Klumph stated that the pasture could handle 1350 head of cattle in 1972, up 350 from last year and applications may be picked up from the county office or C. J. Goertz.

A few other topics were brought up but time did not permit any more discussion or recommendations. They are to be first on the agenda for the next meeting.

Remember if anyone has any problems or questions take them to your local representatives in division 6, D. Case or D. Jouan. Their job is to help you in any way they can. Local representatives in Division 7 are Otto Guze and Irene Robinson.

Hospital Trustees Meet At Breton

The organizational meeting and general trustees meeting of the Breton General Hospital was held in the board room of the hospital on January 28th.

The members of the Board for 1972-74 are: Mr. Alex Danyluk and Mr. Virgil A. Blackmore representing the County of Wetaskiwin No. 10; Mrs. Evelyn Scheide-man and Mr. Hans Hanson representing the County of Leduc No. 25; Mr. Harold E. Bradford representing the Village of Warburg; and Mr. Donald Gillies representing the Village of Breton.

Mr. Alex Danyluk has been elected Board Chairman and Mr. Harold Bradford was elected Vice-Chairman for the year 1972.

Mr. Dale Drechsler, Administrator, reported a busy and productive year of operation. All department in the hospital are operating at a maximum efficiency and a minimum cost. However, with cost of services and supplies increasing, it is apparent that the hospital will be in a deficit financing position for the past year and for the year 1972.

He reported that the General staff of the hospital has been organized under the Canadian Union of Public Employees. This new agreement will not effect the operating costs of the hospital to any great extent.

Wildwood News

On February 5th, Miss Jenina Slownikowski of Poland was united in marriage to Mr. Mike Shwarak of Wildwood in St. James United Church in Edmonton. A reception was held in the Wildwood Community Hall. The Ramblin' Rangers of Entwistle played for the dance. The happy couple will reside on Mike's farm one mile south of the Granada store.

Congratulations go to Danny Mateyko, Wildwood, now of N.A.I.T. and Miss Lois Tuttle of Evansburg.

Clothing Depot Renovated

The clothing depot has recently been remodelled by the town crew. The renovations make it much more spacious and thus give more room to store things.

Recently two truck loads of clothes have been sent to the Salvation Army. Thanks to Mr. Gunther Schmidt of Northern Video and Mr. Karl Anderson for taking the time to give much-needed assistance.

General good suits have been sent to the John Howard Society for the use of newly released prisoners who are looking for work.

It has been decided to have the clothing depot open every Wednesday afternoon from 1:00 - 4:00 p.m. People desiring to come on Wednesday should list the things and sizes they need before they come.

Different ladies will take turns supervising the Wednesday afternoons.

This new plan is on a trial basis and it is hoped people will make use of this service.

Don't forget the last session of the Kitchen Chatter Series with our Home Economist, Mrs. G. McDavid speaking on low cost meals and cutting the food cost, February 18th (Friday) at 1:00 p.m. in Wildwood.

There will be a bingo on Wednesday, February 23rd at Wildwood Hall put on by the Students Union. C.W.L. Bingo is to be February 18th and Church Bingo will be February 25th. The jackpot at the Monday night bingo is \$165.00.

The Recreation Board held its annual meeting on February 8th in the Wildwood Hall. There were only four attending besides the board members which was very disappointing. Mr. Al Smith went back on the board for a three year term.

The Agricultural Society met in the School Library Wednesday night. Arrangements were made for a pancake supper for Shrove

Tuesday on February 15th. The rest of the meeting was spent revising the Fair Book. Next meeting will be March 8 at the School Library. Try and attend so that the revising of the Fair Book may be finished.

Axil and Dick Lauridsen have returned from a trip to Mission, B. C.

Congratulations to Mr. and Mrs. Peter Chopko on the birth of a son.

We were all pleased to hear that Joan Lyple's rink of Wildwood won the Grand Challenge at the Entwistle Ladies' Bonspiel the end of January. Rose Headon's rink of Wildwood took 2nd prize in the 1st event. Congratulations ladies.

A DOLLAR DOWN AND A DOLLAR A WEEK

It is not commonly known that credit has been used as far back as ancient times when goods were exchanged for other goods instead of cash. At that time it was not always possible to receive a fair exchange. So promises were made to make good this difference at a later date.

Today, consumer credit plays a large part in all of our lives. People like credit because it enables them to have things NOW. If they have difficulty saving, it allows them to acquire and have the use of durable goods. It is convenient. You don't have to carry cash or write many small cheques. And credit has tide many a family over an emergency.

But like all good things, credit must be handled with care. It is NOT a way of having what one cannot afford. You must be able to pay back the amount you borrow. And to do this, you will have to do without in the future in order to have something today. This is fine if the goods you are buying will last much longer than it takes to pay for them. But the sad thing is to be tied up paying for something that is already used up before you finish paying for it. This is an important criteria for deciding whether or not to "Charge It".

When buying an item on credit, consider the following points:

1. Consider the entire transaction before making any commitments. Is the purchase important enough now to justify the cost of credit. Could you do without for a while and put down a larger down payment? If you are taking advantage of a sale, will the cost of the finance charges eat up any savings you may have made?

2. Be sure to know the cost of credit and any additional charges that may be made such as insurance, delivery or installation costs.

3. Compare alternate credit plans. It may be cheaper to borrow elsewhere and pay cash to the retailer.

4. Remember to allow leeway for family emergencies and don't tie all your income up in various payments.

5. If for some reason you cannot meet a payment on time, contact the lender and give the reason for the delay. Your credit rating could be lowered if you fail to meet payments on time. If one's credit rating is low, the interest rates on the loan are higher because the creditor assumes more risk.

Warriors Win Hoop Tourney

Drayton Valley Warriors tasted victory when they came home with the Western Invitational Basketball Tournament trophy February 5th.

Their first game against Paul Kane showed Drayton Valley scoring over twice as much as their opponents, ending with a 33 - 16 score.

Salisbury were defeated by the Warriors next with a score of 51 - 29. All Warriors scored during the game.

Finals against Whitecourt were quite close with Drayton Valley winning 63 - 54. Top scorers were Swap (34 points) and Dusterhoft (14 points).

Besides bringing home the tournament trophy, Barry Swap, the team captain, received a trophy for most valuable player of the tournament. Ken Cameron and Gerald Dusterhoft were chosen as players for the All-Star team.

League games now stand at 12 won, and 4 lost, with only 4 league games left in the season. Conference play-offs will be held

at the new Frank Maddock High School on March 26th.

Burtonsville News

Stanley and Doris MacDougall visited Dr. and Mrs. Heater on February 1.

Ekmand Hansen left Chilliwack B. C. on Sunday, January 30 and drove to Prince George to visit his friend, Lorne Walsh and arrived back in our district on Tuesday afternoon. His brother-in-law, Albert Lenahan and a friend accompanied him and will remain in Alberta for awhile visiting relatives.

The friends of Dr. and Mrs. Ken Heater wish to congratulate them on their ninth wedding anniversary on February 2.

Mr. and Mrs. Hokon Hansen

of Warburg visited Ekmand, Arnold and Lucy Hansen early in the week.

Albert Osbak arrived at his home in the St. Francis district on February 1 after spending over a month in an Edmonton hospital.

Mr. and Mrs. Rex Gray of Drayton Valley visited Stanley, Doris and Ken MacDougall on Friday evening.

On Sunday, February 6, Mr. and Mrs. Delbert Joy, Mr. and Mrs. Ernest Shreiner and Kurt and Norah MacDougall, all of Edmonton, visited at the MacDougall homes in this area.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

This week we would like you to meet a husband and wife teaching pair - the Lenihans.

Mrs. Jo-Anne Lenihan teaches music in our school. She took her early schooling at various places in Alberta and Saskatchewan. She took her high school at Two Hills. During this time she also studied piano and voice. She holds a B. A. from the University of Alberta and also has a Prof. Diploma in Elementary education.

The other half of the teaching pair is Mr. Tom Lenihan who teaches grade five. Mr. Lenihan is an Edmontonian. He has a B.A. in Psychology as well as his teacher's training. Mr. Lenihan was a printer for ten years before he switched to teaching. He owns his own printing press. His hobbies include hypnosis, photography, bridge, chess, etc.

The Lenihans took their University education together. They have a boy, Jody, who is five and three quarter years old. They enjoy Drayton Valley very much. Welcome to our town.

How is this for colorful language? It came from Miss Prodanluk's grade five class.

"The supervisor looked like a firecracker, and finally she exploded, yelling fiercely, 'Quiet!'"

TRAFFIC DEATHS HIGHER IN 1971

Traffic deaths in Alberta in 1971 returned to levels reached in 1969 after having dropped seven or eight per cent in 1970. By the end of last November a total of 404 traffic fatalities had been reported to the Alberta Safety Council compared with 374 on the same date in 1970 and 401 in 1969.

Tomahawk News

We're sorry to say that Bob, Vicki and Susan Pezzot have moved away from the Tomahawk district. But we are glad to say that they haven't moved far. They are now living in their new home, west of Drayton Valley in the Poplar Ridge area across from the air field. Glory and David Jouan, have purchased the Pezzot farm.

On Saturday, February 5th, Glory Jouan, Evelyn Lukaniuk and Christel Dusterhoft went to Spruce Grove for a sewing course with moose hides, etc. We are now offering this course here in Tomahawk. It can be for all ages.

Buck Creek News

The first Ladies' Club meeting of the year was held January 20 at the home of Mrs. Judy MacDonald with a new executive being elected. Mrs. Regenwetter was elected President; Mrs. Judy MacDonald, Vice-President; and Mrs. Kay Johnston, Secretary-Treasurer for another year. The next meeting will be at the Regenwetter home February 17 at 1:30.

A number of friends gathered at the home of Harry Nielsen on Sunday afternoon to help Ruth Smestad celebrate her birthday.

The cubs and their leaders enjoyed another evening of curling last Monday.

The Teen Club have booked the hall for their February 19 dance, with music by Suinn.

A big crowd turned out for the bingo, but that jackpot hasn't been won yet. So don't forget the next chance to win the \$135 is March 3.

Mr. Al Bara has been at Fort St. John the past week working for his oil company. He expects to stay another week.

The winners of the last card party were: Ladies high, Norma MacDonald; Ladies low, Bernadette Lee. Gents high, Buster MacDonald; Gents low, Mr. Wasser.

You can make muk luks, slippers, mitts, gloves, vests, purses the teen girls like, belts and several other things. Anyone interested may call 339-3732 for more information. Adults \$5.00; teens \$2.50; and children \$1.00.

You may remember Jeanie Walde, Marion Jouan's niece, who visited in Tomahawk quite often while she was taking nurse's training in Edmonton. She married pilot Peter Daves, two years ago. They lived at Prince George. He flew a small plane for Northern British Columbia Thunder Bird Airlines. He was on a mission flight on Saturday and was found on Sunday, killed in a plane crash. Our deepest sympathy to all the family.

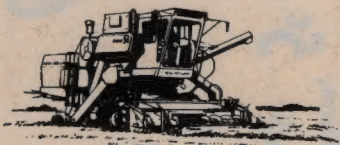

The committee chosen to update the old Tomahawk and District Club's constitution met at the home of Marion Jouan on Saturday, February 5th. It shall be read and discussed at the next Tomahawk and District's monthly meeting, February 14th. Then it shall be presented at the annual meeting in March. Here are a few questions for you to think about and discuss before the annual meeting in March. Do we need a HALL?? Should we inquire about getting the school gym for a hall? If we do get it, what problems, if any, would there be? If one is built, how big, what kind, at the present site or near the recreation center? Bring your thoughts to the annual meeting of the Tomahawk and District Club in March.

The Tomahawk Curling Club held its regular meeting on Monday, February 7th at the curling rink. The Secretary-Treasurer gave a report on the Men's Bonspiel which was a success. Plan's for the Open Mixed were made. The local women are having a bonspiel on March 4th and 5th with the men serving the banquet. Who knows we may be eating macaroni.

The annual Rural Electrification Association meeting was held on February 9th with a good attendance.

CAREER FAIR-- MARCH 7

A career fair will be held at the Memorial Composite High School in Stony Plain on March 7. Both parents and high school students from all parts of the County are encouraged to attend. The career fair consists of a coordinated collection of exhibits and displays arranged in the gymnasium of each host school and attended by resource people from various business, labour and educational groups. There are about 30 different displays at any one fair, with each representing a cluster of career and educational opportunities. Colorful charts, illustrations, brochures, models, and audio-visual demonstrations outline many career areas and their educational requirements. Well-informed display attendants can discuss the particular interest concerns of visitors. Should a visitor wish to pursue any of one or more ideas in further detail, hourly talks are provided by career fair representatives in adjacent classrooms throughout the day.

"The accelerating pace of change in society is dramatically diversifying job positions and related educational opportunities," says Mr. T. R. Mott, Supervisor of Counselling and Guidance for the Alberta Dept. of Education. "Planning a career can be a real dilemma. It becomes more important every year for cooperation between the schools and the whole community to expose to secondary students the wide range of options available to them."

To help meet this need, the Dept. of Education has once again organized its annual series of career fairs, in cooperation with representatives from business, industry, and educational institutions across the province.

ASSISTANCE FOR SPECIAL PROGRAMS

The School Committee recently approved, on a pilot project basis, specified financial assistance for children who are five years old as of January 1, 1972, and who are in need of special programs. Special programs are defined as programs which are: (a) for children who have physical or mental handicaps, and (b) offered by an authorized institution outside the County of Parkland school system.

Parents who wish to inquire about assistance under this pilot project are encouraged to contact the Superintendent of Schools as early as possible. The project expires the end of June, 1972.

COMMITTEE SUPPORTS DRAMA FESTIVAL

The School Committee voted to support the Zone II West Drama Festival Association by contributing \$125 for transportation of the Zone II entry to the Provincial Drama Festival to be held in Banff in May. Selection of the winning entry will be made at the Zone II West Festival on April 28-29 at Barrhead. The objectives of the Zone Festivals are: (1) to stimulate interest and develop the skills of all high school students of the province in the art of Theatre, (2) to stimulate and encourage new talent in high school drama groups in the province through their participation in Drama Festivals, (3) to provide a learning situation for newcomers to high school drama, (4) to provide the opportunity for students and teachers to see one another's productions, to exchange ideas and to have a professional adjudication of their work, and (5) to provide, where possible, a showcase for Alberta playwrights.

INTERESTING FACTS ON EDUCATION

1. In 1970-71, Alberta schools

enrolled 423,964 pupils. 350,487 in the public system and 73,477 in the separate system. This represents a total overall increase of 10,277 from the year before.

2. The average cost of providing a year of education to each of these pupils was \$794.63.

3. Alberta schools enrol 51.57 per cent boys as compared to 48.43 per cent girls.

4. During 1970-71, Alberta schools employed a total of 21,210 teachers, 11,519 of whom have one or more university degrees. This is an increase of nearly 1,000 teachers and more than 2,000 degrees as compared to 1969-70.

5. Last year, the Foundation Program and Grants Funds paid \$294,145,475 to Alberta school boards, representing 87 per cent of their total expenditures. This included \$198,361,374 from provincial revenues; the balance from a levy on equalized assessment. In fact, only about 40 per cent of the money spent on public school education came from property tax revenue.

Club Members to Attend Rodeo

The third regular meeting of the Moon Lake 4-H Beef Club was held in the Moon Lake Community Hall on February 8 at 8:00 p.m.

Public speaking practices will be held every other Tuesday. First practice is on February 15.

It was decided that the club would attend the Edmonton Rodeo on Sunday, March 26th.

Ralph Johnson gave an interesting report on "Points in Judging". Colleen Stewart then gave her report on "Keeping Records".

We then made rope halters. Mrs. Kapteyn and Mrs. Banks served a lunch following the meeting.

On Tuesday, February 1st the Senior Girls Basketball team travelled to Whitecourt for an exhibition game. The girls had an extremely strong fourth quarter and came home with a 44-27 victory. Cheryl Daviduk led the scoring with 17 points, followed by Colleen Bengston with 8, and Charlene Wilkes and Anna Kaarsemaker with 6.

Bride-Elect Honored

Glenda Pryor was surprised with a bridal shower on Sunday afternoon, February 6th. She was visiting Grama Pryor when forty ladies and girls also came to Grama Pryor's, bearing gifts.

The ladies enjoyed the afternoon by playing several games, then Linda Martin, age eight, the groom's sister and Arnold Pryor, aged eight, Glenda's little brother, pulled in a loaded sleigh piled high with gifts. Glenda, with the help of Bonnie Martin and Donna Pryor, the brides-maids, opened the gifts.

A delicious lunch was served and Glenda passed around the bride's cake baked and decorated by Marion Jouan.

Glenda thanked all the ladies for the gifts and also thanked Marion Jouan and Dora Mellenbecker for planning the shower.

Warriorettes Host Paul Kane Friday

On Friday, February 4th, the Warriorettes were on the road again -- this time in Stony Plain. The girls had a strong game, shooting 35% from the floor and 55% from the free throw line. Janet Metelski and Cheryl Daviduk turned in good performances each scoring 16 points. The final outcome was 53-30 in favour of Drayton Valley. It was the first time the girls had surpassed 50 points this year.

Grabbing five hours sleep, the Seniors were off again on Saturday to a tournament in Edson. Although the girls didn't turn in an outstanding performance, they did win their first game against Edson 27-20. Cheryl Daviduk led the scoring with 15 points, while Janet Metelski and Anna Kaarsemaker brought down the rebounds. All three of the above mentioned were nominated for the All-Star team.

The second game of the tournament proved extremely successful for the Warriorettes in spite of a 34-20 loss. The girls played their best game to date against Salisbury, particularly Colleen Bengston. Colleen turned in an outstanding performance under the boards (rebounding) and was later rewarded with an All-Star award.

Thursday, February 10th found the Warriorettes in St. Albert. The girls did not play particularly well against their opponents

and came home suffering a 32-13 loss.

Teachers Convention brings a well deserved rest. The Warriorettes go into action at home, for a change, on February 18th when they will host Paul Kane.

Both Senior teams are playing well and we'd like to see members of the community coming out on Friday, February 18th at 7:00 p.m. to support them.

Don't forget the Harlem Aces are in Drayton Valley Wednesday, February 16th.

POLICE BEAT

Constable Barton (Bart) Brandt has been with the Drayton Valley detachment of the County of Parkland Police for eight months.

Born in Tisdale, Saskatchewan, Constable Brandt attended Star City School until grade three, Tisdale School, until grade five, Innisfail School until grade nine, and finished his high schooling in Red Deer.

Following graduation, Constable Brandt worked as a male attendant in the Deer Home, a mental institute in Red Deer. Because of his experiences in the Deer Home, he took a general nursing program at the University of Alberta for one year.

After five years as a nursing orderly in the University Hospital Constable Brandt felt that he was still young enough to get another career behind him.

"I wanted to go into another profession," he said, "so that I wouldn't get stalemated by one career."

In early 1969, Constable Brandt left the hospital and trained in Airdrie for police work. He became a Corporal with the campus police in Edmonton, then transferred to Edson for two years.

Married and with one daughter, Constable Brandt hopes to stay with the County police if the force remains in Drayton Valley.

Awards Night Held by 5-C's

Annual awards were presented at the regular meeting of the 5-C's Club on February 9th.

The two stars, Dorothy McKinlay and Dawn Carrothers were presented with carnation corsages by president Lu Taylor.

Best weight losers were Dawn Carrothers, Dorothy McKinlay, Delores MacKenzie, Rose Buzak and Inez Kutcher, and were presented with rose design spoons. The hair-do for January was won by Inez Kutcher; Delores MacKenzie, a spoon; and Dawn Carrothers, a spoon for best attendance for the year.

A new executive, elected at an earlier meeting, consists of Lu Taylor, President; Kay Buckler, Vice-President; Dawn Carrothers, Secretary; Jo-Anne Borduzak, Treasurer; Beth Blakeman, weight recorder; Eileen MacDonald, Assistant recorder.

Anyone interested in 5-C's is cordially welcome at any time. Meetings are held every Wednesday evening at 8:00 p.m. in the basement of the Town Administration Building.

D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. Dale Jorgenson, of Red Deer, had their house trailer totally destroyed by fire when the furnace exploded. Mrs. Jorgenson, the former Vera Hodgson, is particularly grieved by the loss of her wedding gifts.

On February 9th Mr. Louis Mattson celebrated his 81st birthday. Friends came to his home for a visit and a game of cards. Best wishes for many more happy birthdays, Louis.

Miss Janette Sleno has fully recovered following an operation for appendicitis.

Mr. and Mrs. Pickett and family will be moving to St. Albert soon where Mr. Pickett will be in charge of the McLeod Store. Good-bye and good luck, Mr. and Mrs. Pickett.

Mr. and Mrs. Robert Elliott are back in Drayton Valley after several weeks spent in B. C. The Elliotts spent time in Kamloops, Vancouver and Penticton and no where was there a shortage of snow. They called on Mrs. Dunington and found her well.

Mr. and Mrs. Lawrence Duperron and sons, Ray and Bert, will be going to Langley, B. C. where the boys are scheduled to appear at a boxing meet on February 19th.

The fortnightly whist party at Dunington Hall was well attended on Saturday evening. Winners were: High, Joyce Smithinsky and Mr. Louis Mattson; Low, Mrs. Clarence Dunington and Ken Hines.

Morris Mastre is making steady progress after months of illness following a truck accident.

Mrs. Edward Hines Sr. entertained at her home on February 13th with a bridal shower in honor of Mrs. Gilbert Teeter, nee Wanda Kelly. The Misses Karen

Kelly and Lorraine Teeter helped the bride open her gifts. The Teeters were married in Edmonton on February 8th. Mrs. Teeter is the great granddaughter of our first settlers, Mr. and Mrs. Bray.

The A.C.W. will serve a pancake supper in the parish hall on Tuesday evening starting at 5:30. Whist will follow. All are welcome.

Lodgepole News

A successful social evening with cards and games was held at the Community Centre on Saturday, February 12th.

John Thomas the infant son of Ted and Margaret Dobe has joined the family after a brief stay in hospital in Edmonton.

Best wishes for a speedy recovery to Doug Bolianatz who is a patient in Drayton Valley Hospital with a knee injury.

Local ladies are invited to attend a bridal shower for Mill Kristin Smith at the Wiltse home on Wednesday, February 23rd at 8:00 p.m.

A Firemens Ball is to be held at the Community Centre on Friday 25th from 9:00 p.m. to 2:00 a.m. Music to be supplied by the Oiltones. Admission by advance tickets at \$2.50 per person.

A good selection of books is available to the public at the School Library on Monday evenings from 6:00 to 8:30 p.m.

Many Changes at Entwistle Library

Many new and exciting things have been happening at the Entwistle Community Library during the past six months. It has been moved to a new location by the Post Office which gives considerably more room. It is now associated with the Yellowhead Regional Library, which provides 20 to 30 new books each month. An example of a few new books that have just arrived are:

A collection of compelling and exciting short stories by Daphne Du Maurier entitled "Not After Midnight".

A humorous side, "The Coffee Tea or Me Girls' Round the World Diary", a story of two uninhibited airline stewardesses and their earthy adventures.

Grant McEwan's most recent publication, "Portraits From the Plains", a character sketch of 33 fascinating Indian personalities from the past and present.

For the younger readers, "Lee Lan Flies the Dragon Kite", by Ralph Herrmanns, the story of a

brother and sister who live on a junk in the waters of Hong Kong "Theodore and the Talking Mushrooms" by Leo Leonni, a story a four friends, a lizard, a frog, a turtle, and a mouse called Theodore. They set out on an adventure to see if blue mushrooms really talk.

There are numerous books on the shelves for your reading pleasure as well as many up-to-date reference books on various topics.

The Library is now open seven hours a week - Tuesdays from 7:00 p.m. to 9:00 p.m. and Fridays from 12:00 noon to 5:00 p.m. Membership dues for a one-year period are as follows: Adults, \$1.00; Teens, 50¢; and Children, 25¢. This entitles a member to borrow up to four books for a period of two weeks.

Clemmer Rink Wins Pegasus Club 'Spiel

Annual bonspiel of Mobil Oil's Pegasus Club was held on Saturday and Sunday, February 5th and 6th with 24 rinks taking part in the mixed curling.

Three out-of-town rinks came from Olds, two from Edmonton

and one from Whitecourt.

First event was won by the Bruce Clemmer rink, second by Ernie Chaput and third by Red Mattoon. Trophies were presented by club president Roy Anderson.

A feature of the weekend was a successful banquet and dance held in the Legion Hall on Saturday evening.

Clippers Win At Innisfail

Rose's Well Servicing Clippers opened the Alberta Central Midget League playoffs with a 6 - 5 overtime win over Innisfail Midgets on Saturday.

The Clippers were led by Xavier Coppens and Cam Selin with 3 points each. Cam Selin scored the winner at 1:18 of the second overtime period set up by precision passing by Ken Fournier and Xavier Coppens. Coppens also scored twice.

In addition to the winner Selin picked up two assists. Other Clipper goals were scored by Darcy Galvon, Ron Bartek and Zane Reinhart.

This series continues at Drayton Valley on Saturday, February 19th at 7:00 p.m. The series is best of three and the Clippers with a win on Saturday could advance into the league semi-finals.

V.D. Topic For Program

The regular meeting of the A.A.R.N Chapter was held February 7th in the Nurses' Residence. Plans were made for the chapter, in conjunction with the Certified Nursing Aides, Oilwell Chapter, to hold an informative evening on Venereal Disease.

This will be held on Monday, March 6th at 8:00 p.m. in the Jr. High School. A film and speaker from the Department of Social Hygiene will be presented. Watch for notices in the paper.

The chapter is planning a bake sale for April 15th at Block's. The next meeting will be held April 17th at the Nurses' Residence.

Yellowhead Regional Serves New Libraries

The Yellowhead Regional Library, established on December 11th, 1970 by agreement between the Counties of Barrhead, Lac Ste. Anne, Leduc, Parkland, and Wetaskiwin, serving a population of 65,183, has released the report of activities for its first year of operation.

Serving 18 public libraries and 64 school libraries, income for the operation of the library comes from two sources: (1) one dollar per capita from the counties; (2) 75 cents per capita from Provincial Government Annual Grants.

Besides purchasing, processing, and distribution of books, other services such as professional assistance to public and school libraries, local participation in book selection where local libraries request specific titles for their libraries, binding, and periodical subscriptions are offered.

A selection of basic reference books is being built-up, with over 140 titles already processed.

New community libraries have been set up in Darwell, Warburg, and Westeros. Breton is close to

providing library services to the community, and a number of other centers are interested in establishing community libraries.

Figures show that 11,700 books were handled by the Yellowhead Regional Library in 1971, with over 6,000 books in stock.

Distribution figures for school libraries: County of Lac Ste Anne -- 1,196; County of Parkland -- 1,661 (with Drayton Valley receiving 340); County of Wetaskiwin -- 1,050; County of Barrhead -- 184; and County of Leduc -- 2,025.

The only thing that's gone right this winter is my Datsun.

Tinted glass reduces glare and there's a heated rear window for better visibility.

No need to bundle up. Datsun's 3-speed heater/defroster will keep you warm as toast all the way to the chairlift.

I don't care if the back seat is roomy and comfortable. Next time we go up the mountain I want to sit up front with Hans.

Excellent road handling in the worst winter conditions.

DATSUN is all you really need

At Datsun we build solid, reliable automobiles that meet every Canadian safety and pollution control requirement. But, because it's still nice to drive something you can love a little too, we make a choice of Datsun

models... sedans, a fastback, a wagon, a pickup and even a GT sports car. Datsun is all the car (and all the cars) you really need.

Evening Course to Be Offered Next Fall

The University of Alberta has scheduled Physical Science 341 to be offered in the Drayton Valley Junior High School beginning next September 13, 1972. The lectures will be given each Wednesday from 6:30 p.m. to 9:30 p.m. Instructed by F. W. Jones.

This is a course designed to give non-science students some appreciation of fundamental ideas and methods of physical sciences, their history and development, modern trends in these fields, and their relation to other disciplines. Illustrative material will be taken from Physics, Chemistry, Astronomy and Geology.

The course cannot be used for credit towards the B. Sc. degree; it is not open to first year students; it may not be taken by students who have credit in Physics 100, 200, and 202.

Please register early. Registration forms may be obtained from the Registrar's Office. The deadline for registration in a course for evening credit is August 15th.

Phone Jenny Harris at 542-3098 if you require more information.

Bill Watson, National President of the Association of Kinsmen Clubs (right) is shown receiving a wooden jar as a memento of his recent visit to the area. The presentation was made by Bob Bowie (L) president of the Evansburg Kinsmen Club at a reception held in Edson on February 6th.

Kin President Visits in Area

The National President of the Association of Kinsmen Clubs, Bill Watson, recently visited Northwestern Alberta as part of his tour of Canada. Fourteen Kinsmen and Kinettes from the Evansburg area met him at a reception in Edson on February 6th.

In his address Mr. Watson stressed the growing importance of service club work on a national and international level. He pointed out that in most local communities, services that were formerly provided by service clubs are now being provided by government agencies, thus service clubs must now concentrate on national and international service projects.

As a memento of his visit to the area, he was presented with a wooden jar by Bob Bowie, Presi-

dent of the Evansburg Kinsmen Club. The wooden jar was hand carved by Mr. Eaton of Evansburg. Mr. Eaton very kindly donated the carving on behalf of Evansburg's Senior Citizens in appreciation to the Kinsmen Club for the annual Senior Citizen's Night.

Evansburg Man Passes After Lengthy Illness

Tredeuck Calvin Nelson of Evansburg passed away on January 29th, leaving to mourn his loss his wife, Luella; son Ray of Evansburg; two daughters, Vera of Evansburg and Frances of Myrnam; and two brothers, Merle of Edmonton and Leslie of Paynton, Saskatchewan.

Born in Randall, Minnesota in 1905 to John and Bessie Nelson and nine other children, he moved to Kyle, Saskatchewan at the age of five.

In the fall of 1930, Mr. Nelson moved to the Reno area and settled on a homestead. Eleven years later he married Luella Muntz.

The family moved to the Village of Evansburg in 1951, and finally moved into their present home in 1957. Mr. Nelson began to suffer from a heart condition in 1963, weakening until this past year when he remained in bed most of his time.

Besides his immediate family, he leaves many cousins, nephews, nieces and friends.

Evansburg Kinsmen Busy Planning Annual Carnival

Once again the Kinsmen Club of Evansburg is busily organizing a Winter Carnival for the enjoyment of district residents. This year's festivities will take place on the 25th, 26th, and 27th of February.

The weekend will begin with a Teen Dance featuring the "Gensis" band in the Entwistle Community Hall on February 25 and will wind up with a figure skating show by the Pembina Valley Pirouettes Figure Skating Club in the Evansburg Arena on February 27th at 2:30 p.m.

The Figure Skating Club is very pleased to have Barry Fraser as

one of the guest skaters for this show. Barry, a 13 year old from Edmonton, has won the first place medal in the Alberta Junior Men's Singles for 1972 and was second in the Canadian Men's Novice Singles event for 1972.

Several other guest skaters will be performing along with nearly 70 local youngsters under the direction of Annette Coulombe of Evansburg.

Attention will focus on the Pembina Racing Oval just off Highway 16 at Entwistle on February 27th at 10:00 a.m. as the snowmobile racers have their turn. There will be a Powder Puff

Derby and several novelty races to liven things up.

In an attempt to encourage local participation, no entries will be accepted from outside 30 mile radius of Evansburg. Anyone who wants to know more about the races should contact Rex Rimmer at 727-3599.

Saturday's activities get underway at 1:00 p.m. with a ladies' hockey game in the Evansburg Arena. The action then shifts to the main street where local High School students will be holding a broomball tournament and some chuckwagon races. It's back to the Arena at 7:00 p.m. for a hockey game between some Kinsmen who won't admit they have seen better days and the Midget boys hockey team.

Magnolia News

The community of Magnolia offers its sincerest sympathy to August Reich and family on the recent passing of his mother.

The last two whist parties were held at the C. Christensen home and the J. Balfour home respectively. Winners at the Christensen party were as follows: Travelling prizes went to Alma Roth and Len Williams; Ladies first was won by the hostess Mrs. Christensen; second by Fay Kidner and consolation went to Norma Williams. The gentlemen winners were Jack Balfour first Chris Christensen second and Len Williams consolation. The winners at the Balfour party were ladies first Norma Williams, second Mrs. Christensen, Evelyn Cameron consolation and Vera Balfour won the travelling prize.

Prizes for the gents were Jack Cameron first, Ed Jones second, Eston Christensen consolation and August Reich got the travelling prize. There were enough folks at the latter party to use five tables.

Fraser Anderson, Ellen and Linda have moved into their new home.

The January ladies meeting was held at Betty Strangway's with Marie June as co-hostess. Due to the very cold weather there were only six members present. The ladies decided to purchase the material and filling for a quilt which will be made at Ruby Brown's in February and raffled at the spring picnic.

Judo lessons have been temporarily suspended due to the illness of the instructor.

LADIES DAY OUT

Ladies Day Out has been cancelled until the beginning of March. The first session will be on March 7th from 1:30 - 3:30 p.m. in the Evansburg United Church basement. The program includes a cooking demonstration -- Oriental Beef, Flaming Bananas, Program planning.

Carnwood News

Get well wishes go to Mrs. Valeria Ellis who is a patient in Stony Plain Hospital, and Wendell Cox who is down with the flu.

Community was saddened by the death of Mr. Bill Kay who used to reside here but has lived at New Westminster, B.C. for a number of years. Deepest sympathy to his wife.

Mr. and Mrs. Arnold Foster had their daughter Gerri and granddaughter home for a few days.

Deepest sympathy is extended to Mrs. Chester Tryon and family from the community on the loss of their father, husband, and grandfather.

Mr. Bennie Heslap of Vegreville visited his parents for a few days.

Mrs. Rose Saunders has arrived home after spending 12 days in University Hospital for surgery.

Mr. and Mrs. Lester Cropley and daughter were Sunday visitors at the J. Saunders home.

RAMONA NEWS

Mrs. John Solomon, and John's mother of Tomahawk, left by plane on February 11th for a two week visit in Vancouver. Her daughter Margorie and John's two sisters live in Vancouver.

A meeting was held in the Rocky Rapids Hall on Thursday, February 10th and the four communities of Easyford, Whitby, Ramona and Rocky Rapids asked to attend. Mr. Baker, Mr. Ivan Vowk, and Mr. M. McCullagh were also present. The main topics of discussion were recreation for these areas; improvements to facilities, and the "Opportunity for Youth" in which students could be employed to work on various projects. This project is sponsored by the Dominion Government.

Congratulations and best wishes go to the former Wanda Kelly and Gilbert Teeter, who were married this week.

Next Saturday, February 19th Betty Carrothers will become the bride of Ridge Chodak. Reception and dance at Rocky Rapids Hall. Best wishes to you both.

Welcome back to the district to Lance Schultz and his wife who are now living at Rocky Rapids on the home place.

Nice to see Mrs. Paul Haley once again able to be around. She spent some time in an Edmonton Hospital before Christmas.

Mrs. Floyd Combs had the misfortune to cut her leg quite badly recently. This is becoming a habit Mary, but we hope you are able to be about soon.

We thought there might be a buffalo or two around this area after Paul Dusterhoft and Ken Stewart went to the buffalo sale at Killam on Tuesday but Ken says the price went too high.

The Rocky Rapids district is having a supper and dance on February 26th.

Wabamun News

It is nice to know that Mr. J. Labuda got home yesterday after spending time in the hospital.

Mr. and Mrs. F. Anderson attended the 40th anniversary of Mr. and Mrs. Dalus Peters on February 6th. Congratulation Mary and Dalus.

Mrs. L. Regamey was the lucky winner of the Player's jackpot of \$291.00 on February 3rd at the Wabamun bingo.

Keith and Kathy Sarich celebrated their eleventh birthday on February 2nd, so "Happy belated birthday greetings" to you both.

The sympathy of the district goes out to Mr. and Mrs. A. Soneff and family in the loss of Mr. Soneff's brother in Edmonton, who passed away on February 3rd.

Mr. and Mrs. W. Mastaller and Laurie Sarich attended the Snowmobile races in Wetaskiwin last Sunday.

Now for some news of the library -- there is a new rug on the floor and some new shelves. The other day the library received 42 new books covering a variety of titles from humorous to reference.

The meeting of the Wabamun W. I. was held at the home of Mrs. R. T. Ward, with Mrs. G. Hancock as the hostess and Mrs. W. Kosik as co-hostess.

There were 14 members and 8 guests with two of the guests joining the group later in the afternoon.

Mrs. W. Kosik, the President, volunteered to be the delegate for the conference in Edmonton in March.

Planning for the Conference to be held in Wabamun in May was started and it looks as though it will be a busy time. Plans were made for a Valentine tea and bake sale to be held in the basement of the United Church on February 11.

The roll call was an exchange of homemade valentines. A lunch was served by the hostess and co-hostess, which included a birthday cake in honor of Mrs. E. H. Woollard, Mrs. G. Fuhr and Mrs. Roberts. Each of these also received a nice box of note paper.

Mrs. F. Woollard gave a cake decorating demonstration; then the cake was given as the tea prize, with Mrs. D. Giles winning.

LIBRARY NEWS

"Six Black Horses" is the name chosen by Nolan Davis for his first novel. Nolan Davis is a black man who had a rough time growing up and as a young man worked in a mortuary so perhaps it is natural that his first novel would have this as its theme. Cynics would say that Davis had assured the success of his novel by a liberal use of four letter words and distasteful situations. "Dragon Seed" by Pearl Buck has been out of print for some

years. We were pleased when a copy became available. "Dragon Seed" as you may remember is a story of China in World War II. For all readers who enjoy Pearl Buck's stories of the Orient.

Helen MacInnes needs no introduction. Her "Message from Malaga" is new and "Assignment in Brittany" a reprint.

"Dark as the Grave Wherein my Friend is Laid" by Malcolm Lowry was really begun when Lowry and his wife made a tour of Mexico but is was not completed in his life time. His wife and biographer, Douglas Day, have written the book from Lowry's notes. A noted reviewer warns "This book is not to be compared to "Under the Volcano". There are too many loose ends.

Cubs Benefit From Bingo

Proceeds from Bingos 10A, B and C, at the Breton Elks Bingo last Tuesday, were donated to the Breton Cub Pack, by their sponsors - the Breton Lodge #402.

With the return of milder weather excellent attendance heralded the Spring Series of Breton Elks Bingos. An added feature currently popular is the "free card" system now operating at the Recreation Center.

Mrs. A. Rivet of Drayton Valley was a "hundred dollar" winner.

Breton Elks Bingo will be held at the Breton Recreation Center on February 22nd at 8:00 p.m.
